REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-4 are allowed.

Claim 1 is allowed because the prior art of record fails to disclose or suggest the inclusion of a constant current source for generating a threshold current as recited in claim 1. The inclusion of the constant current source defines patentability over the prior art of record because it enables the passing means to pass only the upper half of the waveform of the first and reference current signals which is not taught by the prior art of record, alone or in combination.

Claims 2-4 are allowed for the reasons noted in the previous Office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Minh Nguyen whose telephone number is **571-272-1748**. The examiner can normally be reached on Monday, Tuesday, Thursday, Friday 7:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Timothy Callahan can be reached on 571-272-1740. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
